EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 0956

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

MDS3000 Conventional type A indoor manual call point with change-over contact; glass and plastic resettable element for use in fire detection and alarm systems

(For conditions of use for the product see the attached appendix)

placed on the market by

Cooper Securite SAS

Peer II, Rue Beethoven, BP 10184, 63204 Riom, Cedex, France

and produced in the factory

Digital Lighting (Dongguan) Co., Ltd

**Xin Min Road, Xin Min District, Changan Town, Dongguan City, Guangdong Province, China
523879**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body BRE Certification Limited.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard(s)

EN 54 - 11: 2001 + A1: 2005 - Fire detection and fire alarm systems - Manual call points

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 05/06/2009 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.
